MCE OnDemand Training courses

Self-paced

240 min

+25 courses

The MCE OnDemand Training courses are self-paced e-learning programmes. Most courses are 240 minutes long and include **videos, quizzes, audio, exercises, reading, making decisions, assessments and more.**

Each course consists of short modules of about 15-20 minutes with a clear learning objective. You learn at your own pace – **where and when you want.** You can pause, stop and start again when you are ready. With an internet connection, you can access the training courses anywhere, anytime. You will receive a certificate of completion for every successful lesson.

MCE offers more than 25 different OnDemand Training courses covering many key business areas.

€225

Corporate Offer:

Corporate offers are available for more than 10 people – either taking the same course or taking different courses.

e.g. 25 courses for €200 per person, 50 courses for €175 per person

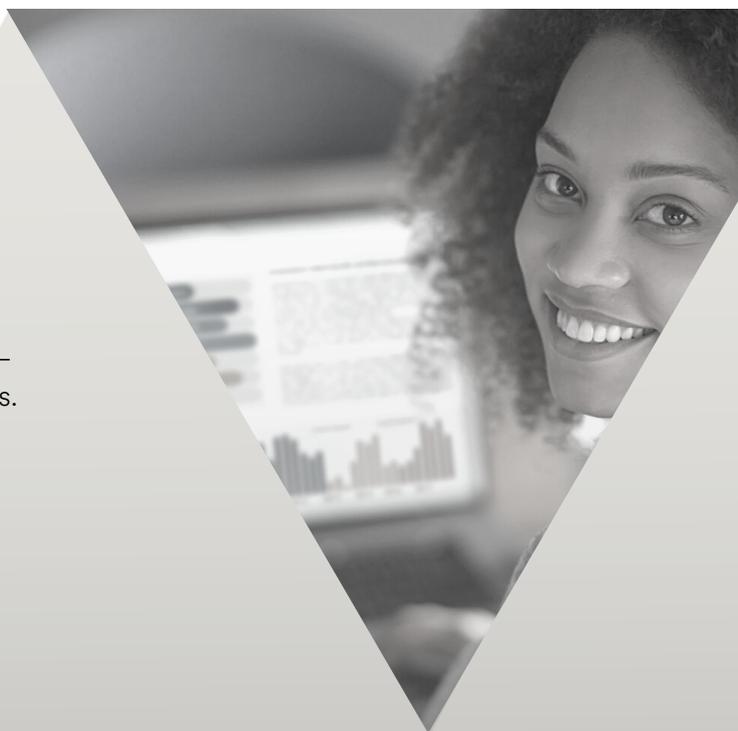

Contact the MCE team to get your corporate offer.
