## FAQs

### **Are there restrictions or programmes not covered by MCE All Access?**

There are no restrictions - all MCE Open Programmes are included. However, to ensure the best learning experience, registrations are ideally limited to 3 participants from one company on one outing.

### **What happens if we only have 45 managers to develop?**

The MCE All Access 50 allows you to make up to 50 registrations, so there is no problem if you only use 40 or 45. In reality, you can start making substantial savings on your training budgets even if you only make only 25 registrations.

### **Can we get refunds if we only make 30 registrations?**

The pricing and access to all MCE programmes has been developed to support managers across the EMEA region. Even if only using 30 registrations, you still make major savings on standard fees, so no refund is possible.

### **Can we transfer or cancel a registration? 14 days or less**

Yes, you can.

- For cancellations or transfers (moving to another date) 15 calendar days or more before the programme starts - you are free to transfer or cancel registrations with no penalties.
- For changes 14 calendar days or less before the start of the programme, you can send another participant to replace the person originally registered.
