Assertiveness Training for Women in Business
“Your own words are the bricks and mortar of the dreams you want to realize. Your words are the greatest power you have. The words you choose and their use establish the life you experience.”

Sonia Choquette
How you will benefit

After taking this programme, you will be able to:

• Recognize the characteristics of the four assertiveness styles
• Assess your individual assertiveness style and its effectiveness
• Demonstrate assertiveness techniques using supportive communication behaviors
• Develop an action plan to overcome at least two personal obstacles to assertiveness
• Learn how to capitalize on the strengths of your leadership style - and minimize weaknesses
• Flex your leadership style preference to interact most effectively and assertively with others
• Incorporate assertiveness techniques into everyday practices

During this programme you will:

• Network and learn from a diverse group of peers from different functions, industries and countries
• Develop a personal action plan to implement back at work
• Learn and practice using real-world examples over 3 interactive days

How will you benefit?

Why is this programme different?

• The programme is facilitated by an experienced female facilitator, who is an expert in business excellence, who knows what it is like for business women to work in an international environment and who understands your challenges.
• Every year, many business ladies from more than 20 different countries join this programme and over 95% recommend it to their colleagues.
• This programme is about you! You will get intensive feedback from your facilitator and a multi-cultural group of participants.
• You will bring your own business challenges to the class and these will be addressed in the programme with solutions and input from the whole group.
• You will leave the programme with a concrete action plan to ensure you are implementing the learnings back at work and become a successful business woman.

“I thought the course was excellent. Our instructor was fantastic - knowledgeable, interesting and engaging. It honestly could have been 3 really long days, but they flew by and I learned tools to use at work (and at home) to be assertive without being aggressive or overbearing.”
