

Strategic Agility and Resilience

Winning Strategies for Leaders

Strategic Agility and Resilience

Are you ready to respond to complex and unpredictable business changes?

In times of disruption and upheaval, survival is no guarantee. It's the agile and resilient organizations that have a much better chance to survive – and even to thrive – in the shifting business environment.

Orchestrate a new game plan to navigate turbulent times and disruptive change.

With future orientation and entrepreneurial focus, this course gives you the roadmap to seize new opportunities and bounce back even stronger from unforeseen changes.

Let's build agility and resilience into your organization's DNA. Add to your repertoire of skills the ability to shift mindset and inspire behavior change. Plus, the strategies to create more flexible structures and processes that grow your organization's capability and performance.

Who should attend?

Vice presidents, executive directors, directors, senior managers, division managers and others with strategic leadership roles.

“Success today requires the agility and drive to constantly rethink, reinvigorate, react, and reinvent.”

Bill Gates
